## FOR AN HONEST BALLOT.

PETITION WHICH IS TO. BE FOR-WARDED TO ALBANY.

The New-York Ballot Reform League is get-

ting up a great petition to aid it in its coming fight at Albany for an honest voting system. It wants every man who is interested in the movement to add his signature to the list, and to ask his friends to do likewise, until a total of at least 100,000 names is secured. In a work of the kind that the league is engaged in, which is entirely dependent upon volunteer labor, and which offers no personal or financial reward, it is extremely difficult to enlist the active assistance of a sufficiently large number of men to carry it to success. But the gentlemen who have given much time to the ballot-reform movement, often at great personal inconvenience, hope that every man who is with them will do his part toward the making of the

g petition. The Times prints herewith the form of peti-

tion:
